Applicant: Steven Davis  
Serial No.: 10/647,930  
Filing Date: August 26, 2003  
Title: SELF STABILIZING ROTATING TOY

PETITION TO MAKE SPECIAL

Dear Sir or Madam:

This petition to make special is based upon MPEP 708.02 II Infringement.

The below signed attorney of record alleges the following:

(A) That there is an infringing device or product actually on the market, this product is being sold by Haudy International Company Ltd. under the descriptive product name Flying Saucer with Remote Control.

(B) A rigid comparison of the alleged infringing product with the claims of the application enclosed herein has been made, and in my opinion, the claims are unquestionably infringed, namely Claim 1; and

(C) I have made a careful and thorough search of the prior art in Classes/Subclasses 244/17.11, 17.23; 446/36, 37, 44, 396; and 416/171 and provided herewith is a copy of each prior art deemed most closely related to the present invention along with an information disclosure statement attached hereto. Additional U.S. and Foreign patents and publications are also enclosed, which were uncovered during the prosecution of the parent application Serial No.: 09/819,189. An Information Disclosure Form is enclosed along with this petition.

Should the Office have any questions, please contact the undersigned at 312-521-2775.
